To Whom It May Concern:

On September 19, 2002, Eagle Communications, Inc. ("ECI") wrote a letter of appeal to USAC regarding the rejection of Form 499-A Revision for the year 2000. ECI's letter was received by USAC on September 23rd – see postal receipt signed by Mr. A. Williams. As of today, I have not received an answer to the letter appeal. ECI is still receiving on a monthly basis invoices. As of February 2, 2003, the total amount is of \$154,154.36, including late payment fee.

Once again, I am appealing USAC's figure for the Universal Service Fund. This amount was based on incorrectly reported revenues. The true interstate amount should have been based on \$102,209.00 – the total interstate revenue for the year 2000. I am hoping for an expeditious resolution to this recurring problem.

My reach number is 212.348.7470 ext. 111 and my fax number is 212.348.0654.

To Whom It May Concern:

This is an appeal to your September 16 letter to Eagle Communications, Inc regarding Revision to original FCC Form 431 submission for 2000 reporting requirements.

Eagle Communications, Inc., is a New York based CLEC residing at 142 East 39th Street, New York, NY 10016, FCC Filer ID No. 821256.

In October 5, 2001, Eagle Communications, Inc., ("Eagle") filed a FCC Form 431 reporting its revenues for April 2000 through March 2001. Eagle incorrectly reported the intrastate revenues of \$4,163.454 as Interstate revenues. The corrected interstate amount for this period is \$102,209 or 2.4% of the overall revenues. Eagle's payments for the Universal Service Fund should have been of \$38,84 each month or \$466.08 for the year.

On August 28, 2002, I corrected this imbalance on Form 431. I was advised by the Jeff Henderson of NECA to file a 2001 FCC Form 499-A for the 2000 period.

On September 4, 2002, I mailed the revised report to NECA. The correct amount of \$102,209 was placed in the interstate line to be calculated with the FCC's factor for the Universal Service Fund fee. On September 6, 2002, NECA received revised 499-A (US Postal Service Register Return Receipt is postdated 9-6-2002).

On September 16, I received a letter from Universal Service Administrative Company ("USAC") rejecting the Form 499-A revision (for 2000 revenues) the reason of the rejection is that the revision was not filed within one year of the original submission.

I am appealing USAC's decision for the following reason: I realize that the original FCC Form 431 for 2000 period incorrectly reported intrastate revenues as interstate and that the revision was filed 11 months later. However, I do not believe Eagle should be penalized for a mistake made against it self. USAC should let the Revised FCC Form 499-A filed on September 16, 2002 stand.

Attached you will find all of the documentation pertaining to the original filing and the revised FCC Form 499-A submitted on September 6, 2002. In addition, I have included all US Postal Service register return receipts with marked date.

I am looking forward to an expedient and favorable response.

The forthcoming correspondence should be addressed to:
